

Eileen C. Manrique, NACCAS Regional Accreditation Specialist
Extension, 148

Bachelor of Arts Degree in International Studies, University of Nebraska-Kearney, 2002

Eileen C. Manrique has been a Regional Accreditation Specialist for the National Accrediting Commission of Cosmetology Arts & Sciences, Inc., (NACCAS) since September 2005. She supervises and conducts onsite evaluations to determine regulatory compliance with Federal, State and NACCAS' *Standards and Criteria*. She is responsible for reviewing materials, applications, and Institutional Self Studies for Renewal of Application, Stipulations and Deferrals, Change of Ownership, Name, Location and Branches. She assists the on-site evaluation team and school personnel in answering questions regarding *Standards and Rules*. She consolidates the findings of each member of the on-site evaluation team including his/her own findings and analysis into a Visit Report. She assists in the Commission file review process and report results of reviews to the Commission and respective schools. Prior to joining NACCAS she was a Research Assistant at the Training Institute of Washington, DC, from 2004-2005.
